## 10. ISSUANCE OF SURVEY PERMIT

Prior to new development, a real property owner is required to secure a Survey Permit in order to first establish true property lines before any development on the property will take place.

|                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                            |                                                                                                                                                                    |  |

| <b>Note:</b> The permittee shall submit to the City Government, within seven (7) days after completion of the survey or from the expiration of the permit, whichever comes first, a final survey report that was undertaken pursuant to this permit. Otherwise, the survey shall be deemed to have completed to the satisfaction of the permittee. |                                                                                                                          |                                                               |                                                    |                          |

### Schedule of Fees for Survey Permit

Table 10.1

| Particular             | Survey Permit Fee | Processing Fee |
|------------------------|-------------------|----------------|
| 1. 1 sqm – 50 sqm      | PHP 500.00        | PHP 200.00     |
| 2. 51 sqm – 100 sqm    | PHP 700.00        |                |
| 3. 101 sqm – 500 sqm   | PHP 1,000.00      |                |
| 4. 501 sqm – 1 has     | PHP 1,500.00      |                |
| 5. Above 1 has – 5 has | PHP 10,000.00     |                |
| 6. Above 5 has         | PHP 15,000.00     |                |

## 11. ISSUANCE OF ZONING / LOCATIONAL CLEARANCE

A Locational Clearance, commonly referred to as Zoning Permit, is one of the prerequisite documents before a person can get a Building Permit and Business Permit. This is to ensure that construction of the building follows the Comprehensive Land Use Plan and Zoning Ordinance of the City.

| <b>OFFICE/<br/>DIVISION:</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | ZONING ADMINISTRATOR'S OFFICE                                                                                                                                                                            |

## 1. ENDORSEMENT TO THE DEPARTMENT OF HEALTH (DOH) TREATMENT AND REHABILITATION (TRC) CENTER - BICUTAN

The treatment and rehabilitation of drug dependents is a crucial component of drug demand reduction. Republic Act 9165, also known as The Comprehensive Dangerous Drugs Act of 2002, as amended, establishes the State's policy to provide effective mechanisms for the reintegration of individuals affected by drug abuse or dependence through sustainable treatment and rehabilitation programs.

In line with this goal, the City Government of Antipolo, through the Antipolo City Anti-Drug Abuse Office (ACADAO), facilitates the issuance of Endorsement/Guarantee Letters for Persons Who Use Drugs (PWUDs) seeking admission to the Department of Health Treatment and Rehabilitation Center (DOH TRC) in Bicutan, Taguig City. PWUDs who receive an endorsement letter are accompanied by ACADAO staff on the day of their travel to DOH TRC- Bicutan to ensure a smooth admission process.

\*The Court Order can be acquired at the Regional Trial Court, through the Public Attorney's Office which is part of the process of claiming the Court Order of Confinement. The total processing time of acquiring this requirement may vary depending on the complexity of the case, number of individuals applying, and other circumstances. The acquisition of a Court Order typically last between one (1) to two (2) months along with the Certificate of Confinement.

## 2. HANDLING OF INQUIRIES (WALK-IN, ONLINE, AND PHONE)

The Antipolo City Anti-Drug Abuse Office (ACADAO) accommodates inquiries from individuals, families, and organizations regarding its anti-drug programs, services, and initiatives. Clients may reach out through walk-in visits, online platforms, or phone calls for assistance.

For walk-in inquiries, clients may visit the ACADAO office during operating hours, where staff will provide immediate guidance and support. Online inquiries can be sent via the office's official Facebook page or email, while phone inquiries can be made through (02) 8689-4588.

ACADAO ensures that all inquiries are handled promptly and accurately. Response times may vary depending on the nature of the request and the volume of inquiries received.

\*\*\*The total processing time for responding to the clients varies based on the type / mode of inquiry as well as the complexity of the requested data / information.

### 3. ASSESSMENT AND ENDORSEMENT TO COMMUNITY-BASED REHABILITATION PROGRAM

The Antipolo City Anti-Drug Abuse Office (ACADAO) facilitates the assessment and endorsement of Persons Who Use Drugs (PWUDs) to the Community-Based Rehabilitation Program (CBRP) as part of the city's drug rehabilitation and reintegration efforts.

PWUDs undergo an initial assessment conducted by ACADAO to determine the appropriate intervention and rehabilitation approach. Based on the evaluation, eligible individuals are endorsed to the Barangay CBRP, which provides structured counseling, therapy, and skills development programs to aid in their recovery and reintegration into society.

ACADAO works closely with local government units, barangays, health professionals, and partner organizations to ensure that PWUDs receive the necessary support throughout the rehabilitation process.

| <b>TOTAL</b>                               |                                                                                                                 | <b>None</b>    | <b>40 minutes</b> |                                              |

\*The total duration of the weekly module depends on the client's diagnosis. This can be done at the ACADAO or through the Barangay's CDBRP.

#### 4. NEEDS ASSESSMENT AND REFERRAL

The Antipolo City Anti-Drug Abuse Office (ACADAO) conducts a comprehensive needs assessment to determine the appropriate interventions and support services for clients, such as Persons Who Use Drugs (PWUDs). This assessment evaluates various aspects of an individual's condition, including physical, psychological, economic, legal, and social needs.

Based on the findings, the ACADAO facilitates referrals to the appropriate agencies to ensure holistic support. Clients with medical concerns are referred to the City Health Office (CHO) for evaluation and treatment, while those requiring mental health services are endorsed to the National Center for Mental Health (NCMH) or Any Government Psychiatric Facility with approval from the City Health Officer. For individuals facing financial challenges, referrals are made to the Public Employment Service Office (PESO) to explore job opportunities and livelihood assistance. Legal concerns are addressed through coordination with the Public Attorney's Office (PAO), while social welfare support is provided through the Department of Social Welfare and Development (DSWD) and the City Social Welfare and Development Office (CSWD).

Through these coordinated efforts, ACADAO ensures that clients receive the necessary assistance for their rehabilitation, recovery, and reintegration into society.

## 5. ANTI-DRUG ABUSE LECTURES AND SEMINARS (WALK-IN AND ONLINE)

The Antipolo City Anti-Drug Abuse Office (ACADAO) conducts anti-drug abuse lectures and seminars as part of its preventive education efforts to raise awareness about the dangers of drug use and promote a drug-free community. These sessions are designed for various sectors, including schools, local communities (sitios), and specialized groups. The Special Drug Education Center (SDEC) team leads the lectures and seminars which are composed of the ACADAO, City Health Office (CHO), and the City Social Welfare and Development Office (CSWDO).

Through these educational programs, participants gain insights into the harmful effects of drug abuse, legal consequences under Republic Act 9165 (The Comprehensive Dangerous Drugs Act of 2002), and strategies for prevention and intervention. ACADAO, together with partner offices, ensures that these lectures and seminars are accessible and tailored to address the specific needs of each audience, empowering individuals with the knowledge and resources to resist drug use and contribute to a safer, healthier community.

## 6. COUNSELING SERVICES

The Antipolo City Anti-Drug Abuse Office (ACADAO) provides counseling services to individuals as part of the city's drug rehabilitation and intervention as well as promotion of mental health efforts. These services aim to support clients in overcoming substance dependency, addressing personal challenges, and fostering long-term recovery.

Counseling sessions are conducted by trained professionals and may include individual counseling, group therapy, and family support sessions. Clients are assessed based on their specific needs, and appropriate intervention strategies are applied. ACADAO also collaborates with partner agencies, including the City Health Office (CHO) and the City Social Welfare and Development Office (CSWDO), to ensure holistic support for clients.

These services are available to individuals seeking voluntary rehabilitation, those referred through community-based programs, and individuals undergoing reintegration into society. Through counseling, ACADAO helps clients develop coping mechanisms, strengthen their mental and emotional well-being, and reduce the risk of relapse, ultimately promoting a drug-free and healthier community.

## 7. PROVISION OF ASSISTANCE TO PLEA BARGAIN AGREEMENT (PBA) GRANTEES

The Antipolo City Anti-Drug Abuse Office (ACADAO) provides assistance to individuals granted a Plea Bargain Agreement as part of their rehabilitation and reintegration process. This initiative aligns with the government's efforts to offer qualified drug offenders an opportunity for reformation through community-based rehabilitation programs instead of incarceration.

ACADAO facilitates the proper documentation, monitoring, and referral of plea bargain grantees to appropriate rehabilitation and intervention services. This includes coordination with the courts, barangays, the City Health Office (CHO), the City Social Welfare and Development Office (CSWDO), and other relevant agencies to ensure compliance with the program's requirements. Grantees may also receive counseling, skills training, and other forms of support to aid in their recovery and reintegration into society.

Through this program, ACADAO aims to provide a structured and supportive pathway for plea bargain grantees to successfully complete their rehabilitation, reduce recidivism, and promote a drug-free community.

# **Antipolo City Anti-Drug Abuse Office Internal Services**

## 1. HANDLING OF INQUIRIES (WALK-IN, ONLINE, AND PHONE)

The Antipolo City Anti-Drug Abuse Office (ACADAO) accommodates inquiries from individuals, families, and organizations regarding its anti-drug programs, services, and initiatives. Clients may reach out through walk-in visits, online platforms, or phone calls for assistance.

For walk-in inquiries, clients may visit the ACADAO office during operating hours, where staff will provide immediate guidance and support. Online inquiries can be sent via the office's official Facebook page or email, while phone inquiries can be made through (02) 8689-4588.

ACADAO ensures that all inquiries are handled promptly and accurately. Response times may vary depending on the nature of the request and the volume of inquiries received.

\*\*The processing time for retrieving the requested information may vary depending on the complexity of the request.

\*\*\*The total processing time for responding to the clients varies based on the type / mode of inquiry as well as the complexity of the requested data / information.

## 2. REQUEST FOR TECHNICAL ASSISTANCE

The Antipolo City Anti-Drug Abuse Office (ACADAO) provides technical assistance to local government units (LGUs) in the implementation of anti-drug abuse programs and initiatives. This service aims to strengthen community-based rehabilitation efforts, enhance drug prevention campaigns, and ensure the effective enforcement of drug-related policies.

Technical assistance may include guidance on the formulation of anti-drug abuse programs, capacity-building activities for stakeholders, training on drug prevention strategies, and support in the establishment of community-based rehabilitation programs. ACADAO works closely with relevant agencies to provide expert advice and resources.

By offering technical assistance, ACADAO ensures that local initiatives are aligned with national policies and best practices in drug prevention, rehabilitation, and reintegration.

## 1. ANNUAL REGISTRATION OF TOURISM ENTERPRISES

City Ordinance No. 2018-879 otherwise known as the “2019 Antipolo City Revenue Code,” as amended, provides for the annual registration of all tourism oriented and related establishments within the City of Antipolo. A registration fee shall be imposed on all tourism oriented and related establishments, whether operating as principal branch, or extension office, and without prejudice to the collection of taxes, fees and surcharges imposed under existing laws, ordinances, regulations and other local issuances.

All Primary Tourism Enterprises (PTEs) are required to apply for accreditation at the Department of Tourism as specified in RA 9593 also known as the Tourism Act of 2009.

### 3. REQUEST FOR CITY BAND SERVICES

The Antipolo City Band is under the management of the Antipolo City Culture, Arts and Tourism Promotions Office (AnCCATPO). The City Band plays an important role in the safeguarding of the City's culture and tradition. Requests for their services during special occasions, barangay festivities, religious processions, funeral marches, etc. may be submitted to the Office of the City Mayor.

## 2. ISSUANCE OF CERTIFIED PHOTOCOPY OF DOCUMENTS FOR RELEASE OF RETENTION RELATED TO INFRASTRUCTURE PROJECTS

The City Accounting Office issues, upon request of the contractor concerned, a certified photocopy of documents related to completed City Government infrastructure project for the release of retention. The documents are gathered/collated by the Audit Division from the files of approved, completed and paid Disbursement Vouchers of particular projects.

# **City Administrator's Office**

## **External Services**

## 1. ISSUANCE OF CERTIFICATIONS

The Office of the City Administrator facilitates the issuance of certifications for general purposes upon submission of the request and payment of the corresponding fee, if applicable. Certifications are issued to affirm the validity of the information.

## **Office of the City Agriculturist External Services**

## 1. PROVISION OF VEGETABLE SEEDS AND SEEDLINGS

The Office of the City Agriculturist (OCAg) provides vegetable seeds to walk-in clients and those who submit requests, subject to availability. Additionally, tree seedlings are available upon written request and can be picked up at the City Plant Nursery located in Sitio Kaysakat, Barangay San Jose. This service aims to support local farmers, home gardeners, and organizations in promoting sustainable urban agriculture and reforestation efforts.

\*Excluding the travel time of the client to the City Plant Nursery

## 2. APPLICATION FOR TRACTOR OPERATION SERVICES

The City Government, through the Office of the City Agriculturist, offers tractor services to farmers and agricultural stakeholders, subject to the availability of schedule, manpower, and equipment. A one-hectare land can typically be plowed within a day using a city government-owned tractor operated by an assigned tractor operator. To avail of this service, interested parties must submit a request to the Office of the City Agriculturist. The requesting party is responsible for providing the necessary gasoline for the tractor's operation.

## 5. ASSISTANCE IN REGISTRY SYSTEM FOR BASIC SECTORS IN AGRICULTURE (RSBSA) ENROLLMENT

The Office of the City Agriculturist assists farmers in enrolling in the Registry System for Basic Sectors in Agriculture (RSBSA), a national database of legitimate farmers eligible for government agricultural programs and services. This process involves interviewing farmers, validating their farms, and ensuring all required information is accurate. Once validated, the office forwards the enrollment applications to the Department of Agriculture for processing. This service aims to provide farmers access to various government support programs.

## 6. ASSISTANCE IN FREE CROP INSURANCE APPLICATION

The Office of the City Agriculturist facilitates the application for crop insurance under the Philippine Crop Insurance Corporation (PCIC) for farmers registered in the RSBSA. Farms with a maximum of 2.0 hectares and fish farms with a maximum of 2,500 sqm can avail the free crop insurance. This service includes conducting interviews with farmers to verify their farm areas and assisting them in completing the necessary requirements. By availing of this crop insurance, farmers are provided with financial protection against losses due to natural calamities, pests, and plant diseases, ensuring agricultural sustainability and productivity.

# **City Disaster Risk Reduction and Management Office**

## **External Services**

## 1. REQUEST FOR INSPECTION AND TRAINING FOR HOMEOWNERS' ASSOCIATION

The Antipolo City Disaster Risk Reduction and Management Office (ACDRRMO) conducts site inspections and provides risk assessment reports to Homeowners Associations (HOAs) upon request. This initiative aims to evaluate land susceptibility to both natural and human-induced disasters, ensuring a safer and more resilient residential environment.

As part of the service, ACDRRMO issues certificates of inspection to HOAs that undergo the assessment process. Additionally, training sessions on disaster preparedness, emergency response, and risk reduction strategies may be conducted to equip residents with essential knowledge and skills for disaster resilience.

Through this program, ACDRRMO supports HOAs in establishing safer housing programs and fostering a proactive approach to disaster risk management within their communities.

## 2. REQUEST FOR AMBULANCE SERVICES - MEDICAL ASSISTANCE / PATIENT TRANSFER (WALK-IN ONLINE)

The Antipolo City Disaster Risk Reduction and Management Office (ACDRRMO) provides ambulance services for medical assistance and patient transfer upon request. This service is available to individuals requiring emergency medical transport, non-emergency patient transfers, or assistance in accessing healthcare facilities within or outside the city.

Requests can be made in person (walk-in) or online, and must include essential details such as the patient's condition, pick-up and drop-off locations, and the urgency of the request. The availability of ambulance services is subject to assessment and priority based on the severity of the case.

ACDRRMO ensures that trained emergency medical personnel accompany patients during transport, providing necessary pre-hospital care and stabilization. This service aims to facilitate safe and efficient patient transfers, ensuring timely access to medical attention and hospital facilities.

### 3. PROVISION OF EMERGENCY MEDICAL SERVICES - RESCUE OPERATIONS FOR TRAUMA CASES (WALK-IN, ONLINE, AND CALL-IN)

The Antipolo City Disaster Risk Reduction and Management Office (ACDRRMO) provides Emergency Medical Services (EMS) and rescue operations for trauma cases, ensuring immediate response to life-threatening situations such as accidents, falls, injuries, and other critical medical emergencies.

Residents can request assistance through walk-in, online, or call-in channels, enabling quick deployment of trained emergency responders equipped with life-saving medical tools. The response team stabilizes patients on-site and facilitates their safe and rapid transport to the nearest medical facility for further treatment.

This service aims to provide timely and effective emergency care, minimizing complications and increasing the chances of survival for trauma patients. ACDRRMO remains committed to safeguarding public health and safety through swift and coordinated emergency response operations.

#### 4 . PROVISION OF DISASTER RISK REDUCTION AND MANAGEMENT DOCUMENTS / INFORMATIONAL MATERIALS (WALK-IN AND ONLINE)

The Antipolo City Disaster Risk Reduction and Management Office (ACDRMO) provides disaster risk reduction and management (DRRM) documents and informational materials to individuals, organizations, and communities seeking guidance on disaster preparedness, response, mitigation, and research purposes.

These materials include risk assessment reports, emergency preparedness guides, evacuation plans, safety protocols, and other DRRM-related documents. Requesting parties may obtain these resources through walk-in or online requests, subject to availability and approval. By providing accessible and reliable disaster-related information, ACDRMO aims to enhance community awareness and preparedness, empowering residents to take proactive measures in reducing risks and ensuring safety during emergencies.

#### 4. PROVISION OF DISASTER RISK REDUCTION AND MANAGEMENT TRAINING

The Antipolo City Disaster Risk Reduction and Management Office (ACDRRMO) provides Disaster Risk Reduction and Management (DRRM) training to individuals, organizations, schools, and businesses, aiming to capacitate Antipoleños to be disaster-prepared and resilient. These training sessions equip participants with essential knowledge and skills to effectively respond to and mitigate the impact of disasters and emergencies.

ACDRRMO conducts various training programs covering first aid and basic life support, basic water and safety and rescue training for resorts, earthquake symposiums, and many more. Through interactive discussions, simulations, and hands-on exercises, participants gain practical experience in handling emergencies and implementing disaster preparedness measures.

Training requests can be made through a letter of request, subject to scheduling and resource availability. By providing these capacity-building programs, ACDRRMO ensures that Antipolo residents and organizations are well-prepared to protect lives and properties, fostering a safer and more resilient community.

## 5. REQUEST FOR VIEWING AND/OR A COPY OF CLOSED-CIRCUIT TELEVISION (CCTV) FOOTAGE

The Antipolo City Disaster Risk Reduction and Management Office (ACDRRMO) facilitates requests for the viewing and/or reproduction of Closed-Circuit Television (CCTV) footage to assist individuals, organizations, or authorities in investigations, security monitoring, or other legitimate purposes.

To request CCTV footage, applicants must submit a fully accomplished CCTV Request Form. Requests are subject to review, availability, and approval, ensuring compliance with data privacy and security protocols. ACDRRMO upholds strict confidentiality in handling CCTV footage to protect the privacy and security of all individuals involved.

\*\*\*The release and use of footage are governed by the Data Privacy Act of 2012, ensuring confidentiality and security.

\*\*\*\*The total processing time of both viewing and requesting a copy are the same.

## 6. PROVISION OF EVENT CLEARANCE

The Antipolo City Disaster Risk Reduction and Management Office (ACDRRMO) issues event clearances to individuals, organizations, and businesses planning to hold public gatherings, ensuring compliance with safety and disaster risk reduction protocols. This clearance certifies that the event has undergone proper risk assessment and that necessary safety measures are in place to protect participants and the general public.

To obtain an event clearance, applicants must submit a formal request detailing the event name, date, time, location, expected number of attendees, and safety measures to be implemented. The ACDRRMO will conduct a review and, if necessary, an on-site inspection to evaluate potential risks and recommend safety precautions. Events that meet the required safety standards will be issued a clearance.

Requests for event clearance can be made through walk-in, online, or official correspondence, subject to processing and approval. By ensuring events adhere to disaster preparedness and safety guidelines, ACDRRMO helps create secure and well-managed public gatherings in Antipolo City.

## 7. HANDLING OF INQUIRIES (WALK-IN, ONLINE, AND PHONE)

The Antipolo City Disaster Risk Reduction and Management Office (ACDRRMO) accommodates inquiries from individuals, organizations, and agencies regarding disaster preparedness, emergency response, and other related services. Inquiries can be made through walk-in visits, online platforms, or phone calls, ensuring accessibility and convenience for all stakeholders.

ACDRRMO personnel are available to provide accurate information, guidance, and assistance on various concerns, including disaster risk reduction training, emergency medical services, rescue operations, event clearances, and CCTV footage requests. The office also offers referrals to relevant agencies when necessary.

By maintaining an efficient and responsive communication system, ACDRRMO ensures that Antipoleños receive timely and reliable information to enhance their awareness, preparedness, and safety in times of emergencies and disasters.

# **City Disaster Risk Reduction and Management Office**

## **Internal Services**

## 1. HANDLING OF INQUIRIES (WALK-IN, ONLINE, AND PHONE)

The Antipolo City Disaster Risk Reduction and Management Office (ACDRRMO) accommodates inquiries from individuals, organizations, and agencies regarding disaster preparedness, emergency response, and other related services. Inquiries can be made through walk-in visits, online platforms, or phone calls, ensuring accessibility and convenience for all stakeholders.

ACDRRMO personnel are available to provide accurate information, guidance, and assistance on various concerns, including disaster risk reduction training, emergency medical services, rescue operations, event clearances, and CCTV footage requests. The office also offers referrals to relevant agencies when necessary.

By maintaining an efficient and responsive communication system, ACDRRMO ensures that Antipoleños receive timely and reliable information to enhance their awareness, preparedness, and safety in times of emergencies and disasters.

\*\*The processing time for retrieving the requested information may vary depending on the complexity of the request.

\*\*\*The total processing time for responding to the clients varies based on the type / mode of inquiry as well as the complexity of the requested data / information.

## 2. PROVISION OF DISASTER RISK REDUCTION AND MANAGEMENT DOCUMENTS / INFORMATIONAL MATERIALS (WALK-IN AND ONLINE)

The Antipolo City Disaster Risk Reduction and Management Office (ACDRMO) provides disaster risk reduction and management (DRRM) documents and informational materials to individuals, organizations, communities, and national government agencies, and city government departments and offices, seeking guidance on disaster preparedness, response, mitigation, and for research purposes.

These materials include risk assessment reports, emergency preparedness guides, evacuation plans, safety protocols, and other DRRM-related documents. Requesting parties may obtain these resources through walk-in or online requests, subject to availability and approval.

By providing accessible and reliable disaster-related information, ACDRMO aims to enhance community awareness and preparedness, empowering residents to take proactive measures in reducing risks and ensuring safety during emergencies.

### 3. PROVISION OF EMERGENCY MEDICAL SERVICES - RESCUE OPERATIONS FOR TRAUMA CASES (WALK-IN, ONLINE, AND CALL-IN)

The Antipolo City Disaster Risk Reduction and Management Office (ACDRRMO) provides Emergency Medical Services (EMS) and rescue operations for trauma cases, ensuring immediate response to life-threatening situations such as accidents, falls, injuries, and other critical medical emergencies.

Residents can request assistance through walk-in, online, or call-in channels, enabling quick deployment of trained emergency responders equipped with life-saving medical tools. The response team stabilizes patients on-site and facilitates their safe and rapid transport to the nearest medical facility for further treatment.

This service aims to provide timely and effective emergency care, minimizing complications and increasing the chances of survival for trauma patients. ACDRRMO remains committed to safeguarding public health and safety through swift and coordinated emergency response operations.

## 1. PROVISION OF TECHNICAL ASSISTANCE IN THE REVIEW OF BARANGAY AND SK BUDGETS

The barangay annual and supplemental budgets are reviewed pursuant to Republic Act (R.A.) No. 7160, otherwise known as the Local Government Code of 1991, its Implementing Rules and Regulations (IRR) and other pertinent laws and issuances by National Government Agencies (NGAs), such as *Department of Budget and Management (DBM)*, *Department of Finance (DOF)*, *Department of the Interior and Local Government (DILG)*, *Commission on Audit (COA)* and others.

The budget review, which is the third phase of budget process that starts upon the receipt of the barangay budget, aims to determine if the budgetary requirements and general limitations provided in the Local Government Code (LGC) of 1991 and other applicable laws are complied with.

The City Budget Office, being one of the key players and member of the City of Antipolo Finance Committee (CAFC), assists the *Sangguniang Panlungsod* in the review and evaluation of barangay budgets and recommends the appropriate action thereon pursuant to Section 333 of the LGC.

The CAFC through the City Budget Office reviews the barangay and SK budgets within sixty (60) days in accordance with the above provision. Monthly status is prepared to monitor the review process of the submitted Barangay and SK Budgets.

### 3. OUT-OF-TOWN REGISTRATION OF BIRTH

Out-of-town reporting of birth occurs when the Certificate of Live Birth is presented to the Civil Registrar of a city or municipality which is not the place of birth, not for registration but to be forwarded to the Civil Registrar of the city or municipality where the birth occurred and where it should be registered.

## 4. REGISTRATION OF PERSONS WITH NO KNOWN PARENT/S

Person/s with No Known Parent/s refers to a person/s whose parentage is unknown, or whose fact/s of birth is/are unknown. PSA Memorandum Circular No. 2021-24 updated the guidelines for the registration of foundling. The Certificate of Live Birth of a person with no known parent/s shall be registered within thirty days from the issuance of the Social Case Study Report.

## 7. OUT-OF-TOWN REPORTING OF MARRIAGE

Out-of-town reporting of marriage occurs when the Certificate of Marriage is presented to the civil registrar of a city or municipality which is not the place of marriage, not for registration but to be forwarded to the civil registrar of the city or municipality where the marriage occurred and where it should be registered.

### 13. REQUEST FOR PIECEMEAL SUBMISSION/ENDORSEMENT OF REGISTERED CIVIL REGISTRY DOCUMENT (OUT-OF-TOWN)

In case when the concerned party/ies are holder/s of registered civil registry documents (birth, death/fetal death, marriage) but request for PSA certification in security paper (SECPA) yielded negative result, the concerned party/ies may request for this service. Such a request is otherwise mailed to the civil registry office which registered the document, and in turn sends the said document to the OCRG.

## 14. REGISTRATION OF COURT ORDER/DECREE

Court decrees affecting the civil status of persons shall be registered both in the local civil registry of the place where the petition was granted and in the local civil registry where the affected document is registered. The most common types of court decree registration are nullity of marriage, adoption, recognition of foreign divorce and correction of entries.

## 15. REGISTRATION OF LEGAL INSTRUMENTS

A legal instrument concerning the civil status of a person shall be registered in the Local Civil Registry. Common legal instruments include the following:

- Affidavit of Acknowledgement / Admission of Paternity – a public document executed by the biological father establishing paternal relationship with the child.
- Affidavit of Legitimation – is a remedy where children born prior to their parents' marriage are, by fiction, considered legitimate.
- Affidavit to Use the Surname of the Father (AUSF) pursuant to Republic Act No. 9255.
- Registration Pre-Nuptial Agreement
- Registration Election of Citizenship
- Legal Capacity to Marry issued by the Consulates, Foreign Ministries and Embassy in the Philippines

|                                                                                                     |                                                                        |                 |                                                                                                                                                                                                           |                                 |

## 18. OUT-OF-TOWN REPORTING OF LEGAL INSTRUMENTS

A legal instrument concerning the civil status of a person shall be registered in the Local Civil Registry. Common legal instruments include the following:

- Affidavit of Acknowledgement / Admission of Paternity – a public document executed by the biological father establishing paternal relationship with the child.
- Affidavit of Legitimation – is a remedy where children born prior to their parents' marriage are, by fiction, considered legitimate.
- Affidavit to Use the Surname of the Father (AUSF) pursuant to Republic Act No. 9255.

## 20. ENDORSEMENT OF REGISTERED DOCUMENT

There are instances that while an event such as birth, marriage or death has been registered in the Local Civil Registry, the Philippine Statistics Authority (PSA) have no copy of the registration or may have a copy but with unreadable entries. An endorsement of a certified copy of the registered document is needed so the client will be able to secure a copy of the document in security paper issued by PSA.

## 21. REQUEST FOR COPY OF TRANSMITTAL OF REGISTERED DOCUMENT

When documents have been recently registered but the copy for the Office of the Civil Registrar General (OCRG) was already endorsed to the Philippine Statistics Authority (PSA), proof of endorsement is provided to the client to facilitate their request for a copy of the document in the security paper issued by PSA.

## 22. REQUEST FOR VARIOUS CERTIFICATIONS PERTAINING TO STATUS OF RECORDS

When a copy of a document is no longer available, the City Civil Registry may issue standard certifications (e.g. Form 1-A, Form 3-C) that pertains to the status of or the information in such record. These certifications are generally based on the entries in the office's registry books.

| <b>Office or Division:</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Office of the City Civil Registrar -Records and Statistics Division |                                                                                                                      |                 |                          |

## 24. FILING OF PETITIONS FOR CORRECTION OF CLERICAL ERROR OR CHANGE OF FIRST NAME

Republic Act No. 9048 authorizes the city or municipal civil registrar or the consul general to correct a clerical or typographical error in an entry and/or change of first name or nickname in the civil registry without need of a judicial order. An administrative remedy in nature, it is a departure from the usual judicial process in correcting clerical errors of changing an entry in civil registry documents.

On the other hand, R.A. No. 10172 authorized further the local civil registrars to include the processing of petitions for correction of entries that involves change of sex and the date and month of birth. In this case, petitioners may file Migrant Petitions to correct documents registered in other city / municipality.

## 2. PROVISION OF ASSISTANCE TO TVET TRAINING APPLICANTS

"TECHNICAL-VOCATIONAL EDUCATION AND TRAINING (TVET) is the education or training process where it involves, in addition to general education, the study of technologies and related sciences and acquisition of practical skills relating to occupations in various sectors of economic life and social life, comprises formal (organized programs as part of the school system) and non-formal (organized classes outside the school system) approaches."

The City Cooperative and Livelihood Office (CCLO), in collaboration with the Technical Education and Skills Development Authority (TESDA), facilitates requests of Antipolo residents for TVET courses available at present.

It is important to note that the client must attend and complete the training days to qualify for the issuance of a National Certificate (NC) or Certificate of Completion, whichever is applicable. To ensure this, CCLO monitors the attendance of the trainee in coordination with the host Technical Vocational Institute (TVI).

## 6. ISSUANCE OF ENDORSEMENT TO REGISTERED COOPERATIVES FOR BUSINESS PERMIT PURPOSES

City Ordinance No. 2014-566 provides exemption to cooperatives operating within the City of Antipolo with accumulated reserves and undivided net savings of not more than Ten Million Pesos (P10,000,000.00) from payment of certain fees imposed by the City Government such as business tax and other fees subject to endorsement by the Antipolo City Cooperative Development Council (ACDC) to the Business Permits and licensing Office (BPLO) for examination of the financial statements, books of accounts and other supporting documents.

The City Cooperative and Livelihood Office (CCLO) facilitates the issuance of endorsement letters to be signed by the CCLO Head and the Chairperson of the Antipolo City Cooperative Development Council (ACCDC).

[illegible]

## 7. MOBILE SALON SERVICES FOR STUDENTS

The City Cooperative and Livelihood Office (CCLO) provides mobile salon services such as free haircuts to students of public elementary and high schools as part of promoting personal hygiene and good grooming among the students and teachers.

## **City General Services Office (External Services)**

## 1. DECLOGGING OF CANALS

The City General Services Office (CGSO) attends to requests for declogging of canals to remove obstructions and maintain the functionality of drainage canals, subject to the availability of schedule, manpower, and/or equipment.

|                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                   |                                                                                                                                                                             |                        |                           |

### 3. FREE MATERNAL CARE SERVICES

To be able to achieve low, if not zero, maternal mortality and morbidity rates, pregnant women are advised to submit themselves to monthly pre-natal check-up and anti-tetanus vaccine. Maternal care services are available at the Rural Health Unit (RHU) II at Antipolo City Hall Annex I every Thursday. RHU II also provides family planning (FP) services to advocate proper birth spacing, birth control, and introduce natural family planning methods.

#### 4. FREE MEDICAL CONSULTATION SERVICES

The Rural Health Unit (RHU) II at Antipolo City Hall Annex I provides free medical consultation services to residents of nearby barangays every Monday, Thursday and Friday from 9:00 AM to 2:00 PM. The assigned Medical Officer provides diagnosis and treatment of illness, prescription and appropriate medical services to out-patients especially those who cannot avail of the services of private medical clinics.

## 10. ISSUANCE OF ID CARD AND OR PURCHASE BOOKLET TO PERSONS WITH DISABILITY (PWD)

PWD ID Card is a requirement in availing of the benefits and privileges intended for persons with disabilities as provided in Republic Act No. 9442, "An Act Amending Republic Act No. 7277, Otherwise Known as the "Magna Carta for Disabled Persons, And for Other Purposes".

The issuance of identification (ID) card and or purchase booklet to persons with disabilities (PWD) is also available at city hall annex offices to bring the services closer to residents of nearby barangays. Releasing of PWD ID card and booklet at City Hall Annex I is between 7 to 14 days from receipt of request.

## 11. ISSUANCE OF SENIOR CITIZEN'S ID CARD AND OR PURCHASE BOOKLET

Senior Citizen (SC) ID card is a requirement in availing of the benefits and privileges intended for senior citizens as provided in Republic Act No. 9904 otherwise known as the "Expanded Senior Citizens Act of 2010." The issuance of identification (ID) card and purchase booklet to senior citizens is also available at city hall annex offices to bring the service closer to residents of nearby barangays. Releasing a Senior Citizen ID card at City Hall Annex I is between 7 to 14 days from receipt of request.

## 12. ISSUANCE OF SOLO PARENT ID / CERTIFICATION

Solo Parent ID card is a requirement in availing of the benefits and privileges intended for solo parents as provided in Republic Act No. 8972 otherwise known as the "Solo Parents Welfare Act of 2000."

The issuance of identification (ID) cards to solo parents is also available at city hall annex offices to bring the service closer to residents of nearby barangays. Releasing a Solo Parent ID card at City Hall Annex I is between 7 to 14 days from receipt of request. In lieu of a Solo Parent ID card, a Certification may be issued within 2 days from receipt of request to clients with urgent needs.

## MAYOR'S HELP DESK

### 1. APPLICATION FOR AVAILMENT OF ASSISTANCE TO INDIVIDUAL IN CRISIS SITUATION (AICS)

The Assistance to Individual in Crisis Situation (AICS) is the provision of limited assistance to eligible clients (medical, guarantee letter and burial/cremation/old niche) to individuals / families who are hampered to function normally because of socio-economic difficulties. The nature of difficulty is usually short term and emergency in nature; thus, the assistance is on a one-shot-deal basis.

|                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

## 19. REGISTRATION OF BIRTH (DELAYED)

Delayed registration of birth refers to registration of the birth after thirty (30) days of occurrence. Application for the late registration of birth may be accepted at City Hall Annex I to cater to nearby communities. Certificate of Live Birth (COLB) shall be issued after the 10-day posting period has been compiled.

### 3. FREE MATERNAL CARE SERVICES

To be able to achieve low, if not zero, maternal mortality and morbidity rates, pregnant women are advised to submit themselves to monthly pre-natal check-up and anti-tetanus vaccine. Maternal care services are available at the Rizza Health Center (RHC) at Antipolo City Hall Annex II every Thursday. RHC also provides family planning (FP) services to advocate proper birth spacing, birth control, and introduce natural family planning methods.

## 4. FREE MEDICAL CONSULTATION SERVICES

The Rizza Health Center (RHC) at Antipolo City Hall Annex II provides free medical consultation services to residents of nearby barangays every Monday, Thursday and Friday from 9:00 AM to 2:00 PM. The assigned Medical Officer provides diagnosis and treatment of illness, prescription and appropriate medical services to out-patients especially those who cannot avail of the services of private medical clinics.

| 1. Submit the requirements at the Window of the City Treasurer's Extension Office, City Hall Annex II.                   | 1. Receive the requirements. Fill out the CTC and compute the amount to be paid by the client.  | Refer to the Community Tax Base below                                  | 5 minutes       | Revenue Collection Clerk |
| 2. Pay the amount of the computed Community Tax indicated in the CTC.                                                    | 2. Accept the payment based on the computation.                                                 |                                                                        |                 |                          |
| 3. Sign the CTC and affix the right thumbmark on the 3 copies of the CTC.                                                | 3. Ask the client to affix a signature and right thumbmark on the 3 copies of the CTC.          |                                                                        |                 |                          |
| 4. Secure the original copy of the CTC.                                                                                  | 4. Issue the original copy of the CTC                                                           |                                                                        |                 |                          |
|                                                                                                                          | <b>TOTAL:</b>                                                                                   | Refer to the Community Tax Base below.                                 | 5 minutes       | Revenue Collection Clerk |

### **COMMUNITY TAX BASE:**

Individual: (without compensation)

- Basic Community Tax – PHP 5.00 plus PHP 30.00
- Starting March to December payment with interest

Individual: (with compensation)

- Basic Community Tax – PHP 5.00 plus PHP 30.00
- Additional tax of One Peso (PHP 1.00) for every One Thousand Pesos (PHP 1,000.00) of income from business, exercise of profession, or property but which in no case shall exceed Five Thousand Pesos (PHP 5,000.00)
- Starting March to December payment with interest

For Senior Citizen and PWD

- P5.00 and ID for proof

## 6. ISSUANCE OF ID CARD AND OR PURCHASE BOOKLET TO PERSONS WITH DISABILITY (PWD)

PWD ID Card is a requirement in availing of the benefits and privileges intended for persons with disabilities as provided in Republic Act No. 9442, "An Act Amending Republic Act No. 7277, Otherwise Known as the "Magna Carta for Disabled Persons, And for Other Purposes".

The issuance of identification (ID) card and or purchase booklet to persons with disabilities (PWD) is also available at city hall annex offices to bring the services closer to residents of nearby barangays. Releasing of PWD ID card and booklet at City Hall Annex II is between 7 to 14 days from receipt of request.

## 7. ISSUANCE OF SENIOR CITIZEN'S ID CARD AND OR PURCHASE BOOKLET

Senior Citizen (SC) ID card is a requirement in availing of the benefits and privileges intended for senior citizens as provided in Republic Act No. 9904 otherwise known as the "Expanded Senior Citizens Act of 2010." The issuance of identification (ID) card and purchase booklet to senior citizens is also available at city hall annex offices to bring the service closer to residents of nearby barangays. Releasing a Senior Citizen ID card at City Hall Annex I is between 7 to 14 days from receipt of request.

## 8. ISSUANCE OF SOLO PARENT ID / CERTIFICATION

Solo Parent ID card is a requirement in availing of the benefits and privileges intended for solo parents as provided in Republic Act No. 8972 otherwise known as the “Solo Parents Welfare Act of 2000.”

The issuance of identification (ID) cards to solo parents is also available at city hall annex offices to bring the service closer to residents of nearby barangays. Releasing a Solo Parent ID card at City Hall Annex II is between 7 to 14 days from receipt of request. In lieu of a Solo Parent ID card, a Certification may be issued within 2 days from receipt of request to clients with urgent needs.

## MAYOR'S HELP DESK

### APPLICATION FOR AVAILMENT OF ASSISTANCE TO INDIVIDUAL IN CRISIS SITUATION (AICS)

The Assistance to Individual in Crisis Situation (AICS) is the provision of limited assistance to eligible clients (medical, guarantee letter and burial/cremation/old niche) to individuals / families who are hampered to function normally because of socio-economic difficulties. The nature of difficulty is usually short term and emergency in nature; thus, the assistance is on a one-shot-deal basis.

|                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

## 14. REGISTRATION OF BIRTH (TIMELY)

Timely registration of birth refers to registration of the birth within thirty (30) days of occurrence at the Local Civil Registry Office of the city/municipality where the birth occurred. Application for timely registration of birth may be accepted at City Hall Annex II to cater to nearby communities.

## 15. REGISTRATION OF BIRTH (DELAYED)

Delayed registration of birth refers to registration of the birth after thirty (30) days of occurrence. Application for the late registration of birth may be accepted at City Hall Annex II to cater to nearby communities. Certificate of Live Birth (COLB) shall be issued after the 10-day posting period has been compiled.

## 17. REGISTRATION OF DEATH (DELAYED)

Delayed registration of death refers to registration of the death after thirty (30) days of occurrence. Application for the late registration of death may be accepted at City Hall Annex II to cater to nearby communities. Registration of Death shall be issued after requirements have complied.

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                     |                        |                           |

## 6. PROVISION OF FURNITURE AND EQUIPMENT SUCH AS TENTS, STAGE, TABLES, CHAIRS, BACKDROP FRAMES, ETC.

The City Hall Annex IV advocates itself to develop strong relationships and partnership with the community. Allowing nearby residents to borrow chairs, tables and tents during the conduct of meetings, family occasions, wakes and other social gatherings is a simple way of providing them assistance.

## 5.ISSUANCE OF PAYSリップ

The HRDO provides employees with a copy of their payslip reflecting their salary, deductions, and other payroll details for a specific payroll period

Payslip is requested by active employees as supporting documents for various purposes such as loans, benefit claims, and as reference documents

|                                                                                                                      |                                                                                                              |                                                          |                                 |                               |

#### 14. FILING OF LEAVE VIA HR LITE SYSTEM

Employees may file leave applications online using the HR Lite system. The system routes the request to the Department Head, HRDO, and Administrator's Office for approval and recording.

## 2. ISSUANCE OF CERTIFICATION TO HOMEOWNERS ASSOCIATIONS (HOAs) FOR BIR TAX EXEMPTION PURPOSES

Pursuant to the provisions of R.A. No. 9904 otherwise known as the “Magna Carta for Homeowners and Homeowner’s Associations” and the Bureau of Internal Revenue (BIR) Revenue Memorandum Circular No. 9-2013, the City Government through the CPDO issues certification to HOAs upon request in line with their application with the BIR for tax exemption.

## 2. REPRODUCTION OF DOCUMENTS FROM OTHER DIVISIONS OR OFFICES VIA REQUISITION ISSUE SLIP

One of the services rendered by the procurement office is the reproduction of documents. It is the process of creating copies from a source document, as the need may arise

## 1. APPLICATION FOR AVAILMENT OF ASSISTANCE TO INDIVIDUAL IN CRISIS SITUATION (AICS)

The Assistance to Individual in Crisis Situation (AICS) is the provision of limited assistance to eligible clients (medical, financial, guarantee letter, burial/cremation/old niche, educational, transportation, balik-probinsiya and emergency shelter assistance) to individuals / families who are hampered to function normally because of socio-economic difficulties. The nature of difficulty is usually short term and emergency in nature; thus, the assistance is on a one-shot-deal basis.

|                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
