## TRANSPORTATION ASSISTANCE:

Transportation assistance covers assistance for the purchase or payment of transport (air/sea/land) tickets and/or expenses to enable the clients to return to their home provinces permanently or seek further medical interventions in another place, or to attend to emergency concerns such as death, care, or other emergency or critical situations of family members, relatives or other individuals in need. This includes those that require immediate presence, such as but not limited to, attendance to a court hearing, rescue of abused relative, etc. Provided that, the provision of transportation assistance shall be limited only to clients seeking assistance for the essential travels within the Philippines.

## ISSUANCE OF PERSONS WITH DISABILITY (PWD) ID/BOOKLET

This PWD I.D is a card that serves as proof that the person whose picture and other information appeared on it is a PWD and is entitled to avail of the privileges and benefits provided under R.A. No. 9442, otherwise known as “The Magna Carta for Persons with Disability.”

The PWD purchase booklet, on the other hand, serves as record of the purchases made by the PWD. It also serves as a monitoring tool to ensure that the PWD would not abuse the use of his/her discount card in making purchases.

## ISSUANCE OF SENIOR CITIZEN'S ID CARD / BOOKLET

The Senior Citizen (SC) ID is an official identification card that serves as proof that the individual whose photograph and personal information appear on the card is a senior citizen, aged sixty (60) years and above. Possession of the SC ID entitles the holder to avail of the privileges and benefits provided under Republic Act No. 9994, otherwise known as the Expanded Senior Citizens Act of 2010.

The Senior Citizen (SC) Purchase Booklet, on the other hand, serves as an official record of purchases made by the senior citizen. It also functions as a monitoring tool to ensure the proper use of the SC discount and to prevent misuse of the privileges granted under the law.

## 6. ISSUANCE OF SENIOR CITIZEN'S CAKE VOUCHER

The City Government of Antipolo provides free birthday cake to senior citizens as a token of appreciation for their valuable contributions to the country's progress and development. Senior citizens may claim the cake voucher at the Office of the Senior Citizens Affairs (OSCA) during their birth month. The voucher may be used at partner agencies three (3) days before the birthday, on the actual birthday, and up to three (3) days after the birthday.

## AVAILMENT OF MERALCO LIFELINE CERTIFICATION

According to Section 4 of Republic Act 9136, also known as the Electric Power Industry Reform Act of 2001 (EPIRA), the Lifeline Rate is the subsidized rate provided to eligible low-income power utility customers who are beneficiaries of the 4Ps Act and considered to be living below the poverty threshold. The Energy Regulatory Commission (ERC) established percentage discount thresholds known as the "Lifeline Rate," a socialized pricing mechanism. Under the lifeline rate program, qualified customers should have a monthly electricity consumption of 100 kilowatt hours (kWh) or below to avail the discount

## ISSUANCE OF MAYOR'S PERMIT (FOR PUBLIC AND PRIVATE CHILD DEVELOPMENT CENTERS)

In the Philippines, both public and private child development centers are required to obtain a Mayor's Permit to operate legally, with applications generally submitted through the City or Municipal Social Welfare and Development Officer. Centers catering to children aged 0 to 4m must register at least six months prior to commencing services. The permit is valid for one year, needs to be renewed periodically, and issuance is contingent on compliance with standards set by the ECCD (Early Childhood Care and Development) Council

## ISSUANCE OF PHILHEALTH CERTIFICATION

To access free PhilHealth benefits, indigent, low-income, or financially disadvantaged individuals must obtain certification from the City/Municipal Social Welfare and Development Office (C/MSWD). The certification allows patients to either become registered members or get immediate coverage for their medical treatments

## 1. ANTI-RABIES VACCINATION AND PET REGISTRATION

The City Veterinary Office (CVO) provides anti-rabies vaccination for dogs and cats brought by walk-in clients. This is to ensure reduction in the number of rabies-carrying animals in the city. After vaccination, a Certificate of Registration will be issued that is non-transferable in accordance to City Ordinance No. 2008-306.

## 2. ANTI-RABIES VACCINATION (MASS VACCINATION)

To ensure a wider coverage of the service, the City Veterinary Office conducts mass anti-rabies vaccination of dogs and cats at the barangay/community level to strengthen Rabies Control and Eradication Program of the City Government. Mass vaccination is conducted within 10 days from receipt of the request.

## 6. REGISTRATION FOR AVAILMENT OF THE FREE ANIMAL SPAY AND NEUTER SERVICES

The City of Antipolo through the City Veterinary Office provides free services to pet owners for the spaying and neutering of their pets. When spayed or neutered, animals live longer. By spaying and neutering, we are reducing the population of stray animals in the City.

Note: "Transacting clients shall observe proper health protocols adopted by the Civil Service Commission in view of the COVID-19 pandemic."

## 2. LOCAL VACCINATION APPLICATION ASSISTANCE

The ITDO produces a system (Local Vaxcert) to create the local copy of Vaccination Certificates of the clients that may be used for local employment and travel. Currently, the DOH VaxCertPH is unavailable; thus, ITDO guides clients on how to generate their vaccination records through the use of eGOVph (<https://e.gov.ph/>).

## **Office of Public Safety and Security External Services**

## 1. ADJUDICATION OF CONTESTED APPREHENSION / FILED COMPLAINT

Apprehended drivers may contest before the Adjudication Section of the Office of Public Safety and Security (OPSS) if they find the apprehension unreasonable. Also, passengers of public utility vehicles (tricycle-for-hire/public utility jeepneys/utility vans) with transport terminals within Antipolo City may also file complaints against drivers of such vehicles for arrogance, overcharging, refusal to convey passengers, and the like. After securing the original copy of the Adjudication Resolution, the client shall settle the fines and penalties, if any.

## 2. PLEB CITIZEN’S COMPLAINT

The People’s Law Enforcement Board (PLEB) is the central receiving entity for any citizen’s complaint against a uniformed member of the PNP. As such, every citizen’s complaint, regardless of the imposable penalty for the offense alleged, shall be filed with the PLEB of the city / municipality or legislative district where the offense was allegedly committed.

2. ISSUANCE OF JOB REFERRAL / LETTER OF RECOMMENDATION FOR JOB APPLICATIONS

The Public Employment Services Office or PESO provides employment assistance to applicants / job seekers through referral / recommendation. Applicants undergo a pre-qualification process which consists of job matching and counseling, among others prior to the issuance of job referral / recommendation letter addressed to prospective employer/s. To apply for a job through the assistance of PESO, job seekers are advised to provide a complete set of requirements, neatly prepared, no erasure and no folding.

4. JOB FAIR CLEARANCE FACILITATION SERVICES

The City Government welcomes all accredited employers who intend to conduct job fairs in Antipolo City. Proponents have to coordinate with the Public Employment Service Office (PESO) at least two (2) weeks prior to the conduct of a job fair activity for the processing of Job Fair Clearance to be issued by the Department of Labor and Employment (DOLE). The PESO facilitates the preparation, approval and delivery to DOLE of the Request for Job Fair Clearance signed by the City Mayor.

6. SPES FACILITATION SERVICES

Pursuant to Republic Act No. 9547 otherwise known as the “**Special Program for the Employment of Students (SPES)**”, employment facilitation services for applicants to the program are being done by the Public Employment Service Office (PESO). SPES is an employment bridging program during Summer or Christmas vacation that aims to augment the family’s income of poor but deserving students, out-of-school youth (OSY) or dependents of displaced workers who intend to finish their education. After passing the prescreening stage, SPES beneficiaries shall return to PESO for orientation and contract signing prior to the start of their employment.

8. APPLICATION FOR THE SPECIAL PROGRAM FOR THE EMPLOYMENT OF SENIOR CITIZENS AND PERSON WITH DISABILITIES

The Philippines has laws and regulations that mandate the inclusion of senior citizens and PWDs in the workforce. Republic Act No. 7432, as amended by Republic Act No. 9257, mandates the employment of senior citizens. Similarly, Republic Act No. 7277, or the Magna Carta for Disabled Persons, ensures the rights and privileges of PWDs, including employment opportunities. Employment of senior citizens and PWDs in the Philippines is not only a legal requirement but also a strategic decision that promotes inclusivity, diversity, and economic development while fulfilling corporate social responsibility obligations.

1. PROVISION OF TARPAULIN DESIGN AND PRINT (WALK-IN AND ONLINE)

Upon request by clients, concerned parties, or their authorized representatives, the Public Information Office (PIO) - Graphic Artists' Section facilitates the creation and coordination of the production of tarpaulins to effectively communicate information for various events, programs, and announcements.

This includes designing, printing, and, if applicable, ensuring the proper placement of tarpaulins in strategic locations. The PIO ensures that all tarpaulin requests adhere to branding guidelines, maintain readability, and effectively convey the intended message to maximize visibility and impact.

\*\*The production speed may vary depending on the quantity of the requested tarpaulins.

\*\*\*The total processing time for both the walk-in and online are the same.

2. PROVISION OF LAYOUT DESIGN (WALK-IN AND ONLINE)

Upon request by clients, the Public Information Office (PIO) - Graphic Artists' Section facilitates the creation of layout and design requests for various visual materials, including tarpaulins, certificates, art cards, and other printed or digital graphics.

The PIO ensures that all designs align with branding guidelines, readability standards, and the intended message to effectively communicate information. Through creative and visually engaging layouts, the office supports events, programs, and announcements, enhancing their overall impact and visibility.

3. RESPONSE TO REQUEST FOR EVENT MANAGEMENT SERVICE

The Public Information Office (PIO) - Special Concerns and Events provides logistical and technical assistance to support events organized by the National Government, as well as those hosted by private organizations, entities, departments, and offices. The PIO assists in event planning, coordination, and execution by offering expertise in program flow management and other essential event elements.

Additionally, the office ensures that events align with branding guidelines, maintain effective communication strategies, and achieve their intended impact. Through its event management services, the PIO helps create well-organized and engaging events that effectively deliver key messages to target audiences.

4. REQUEST FOR EVENT COVERAGE

The Public Information Office (PIO) - Photography and Videography Section provides photo and video documentation upon request from private groups, organizations, entities, departments, and offices. This includes full event coverage, from pre-event preparations to post-event highlights, ensuring that key moments are captured professionally.

Through its event coverage services, the PIO helps amplify the reach and impact of events by providing high-quality multimedia outputs for various platforms, including social media, websites, and official reports.

6. REQUEST FOR ENDORSEMENT LETTER

This service is available to walk-in clients or those submitting requests via email or formal letters. The Public Information Office (PIO) - Administrative Section facilitates the issuance of endorsement letters addressed to partner government agencies, such as the Philippine Charity Sweepstakes Office (PCSO), the Senate, the Office of the Vice President (OVP), and other relevant institutions.

Endorsement letters may be requested for various purposes, including employment applications, financial assistance, and medical or hospitalization cost support. The PIO ensures that all requests are processed efficiently and in accordance with the necessary guidelines to assist individuals in accessing the support they need.

7. PROVISION OF PHOTO AND VIDEO DOCUMENTATION FOR KASALANG BAYAN, CIVIL WEDDING, AND BINYAGANG BAYAN

The "Kasalang Bayan", "Civil Wedding", and "Binyagang Bayan" are special programs of the City Government designed to assist individuals and families in formalizing important life events through official ceremonies. These initiatives aim to provide legal and spiritual recognition to couples and children who may face financial constraints in arranging private ceremonies.

- Kasalang Bayan – A mass wedding ceremony for cohabiting couples who wish to be legally married. This program helps couples formalize their union with the support of the local government.
- Civil Wedding – A simple, legal marriage ceremony officiated by a government official, providing an affordable and accessible option for couples seeking a lawful marriage.
- Binyagang Bayan – A community baptism event offering free religious baptism services for children, ensuring their spiritual initiation within the faith.

As part of these services, the City Government, through the Public Information Office, provides free photo and video documentation of the ceremonies. Participants will receive a copy of the recorded event, including professionally captured photos and videos to commemorate these special milestones.

9. RESPONSE TO REQUEST OF MEDIA ASSISTANCE (WALK-IN AND ONLINE)

The Public Information Office (PIO) provides support to media networks, including television stations, radio broadcasters, and publication groups, by supplying relevant information materials and logistical assistance. The PIO ensures timely and accurate dissemination of information to facilitate effective media reporting.

This support may include press releases, background information, official statements, multimedia resources, coordination for interviews or media coverage, and production / film shooting permit.

\*The total approval time depends on the availability of the department head or section head, as well as the time the document was forwarded to and received by the PIO.

\*\*The processing time for retrieving the requested information may vary depending on the complexity of the request.

\*\*\*The total payment fee will be determined based on the number of shooting days and the type of shooting subject, as outlined in the Film Shooting Matrix.

\*\*\*\*The total processing time for both the walk-in and online are the same.

9. HANDLING OF INQUIRIES (WALK-IN, ONLINE, AND PHONE)

The Public Information Office (PIO) accommodates inquiries from the public through various channels, including walk-in visits, online platforms (email and social media), and phone calls. It provides accurate and timely responses to questions regarding government programs, services, events, and other relevant matters. The PIO ensures that all inquiries are addressed professionally and efficiently, promoting transparency and effective communication with the public.

10. REQUEST FOR ONLINE BUSINESS PROMOTION (WALK-IN AND ONLINE)

The Public Information Office (PIO) facilitates online business promotion through its official social media platforms. Businesses may request promotional assistance by submitting the necessary details, including business name, description, services offered, and relevant media assets such as images or videos. The PIO ensures that promotions align with community guidelines and aims to support local enterprises by increasing their visibility and engagement online.

11. RESPONSE TO REQUEST FOR ONLINE PUBLIC SERVICE ANNOUNCEMENT (ONLINE)

The Public Information Office (PIO) carefully reviews and processes requests for online public service announcements (PSAs) to ensure they align with public interest and community guidelines. Approved announcements will be shared through the PIO’s official social media platforms, reaching a wider audience and promoting awareness on important matters.

Requests must include essential details such as the purpose of the announcement, target audience, relevant dates, and supporting materials (e.g., images, videos, or documents). The PIO prioritizes PSAs related to public safety, government initiatives, community programs, and other topics beneficial to the general public.

While the PIO strives to accommodate all requests, approval and scheduling will depend on content relevance, urgency, and platform availability. Requesting parties will be notified of the status of their submission and any necessary revisions to ensure compliance with posting standards.

## **Internal Services**

1. RESPONSE TO REQUEST FOR ONLINE PUBLIC SERVICE ANNOUNCEMENT (ONLINE)

Upon request by departments / offices, department heads / program heads / officers-in- charge, or their authorized representatives, the Public Information Office (PIO) - Graphic Artists' Section facilitates the creation and coordination of the production of tarpaulins to effectively communicate information for various events, programs, and announcements.

This includes designing, printing, and, if applicable, ensuring the proper placement of tarpaulins in strategic locations. The PIO ensures that all tarpaulin requests adhere to branding guidelines, maintain readability, and effectively convey the intended message to maximize visibility and impact.

\*\*The production speed may vary depending on the quantity of the requested tarpaulins.

\*\*\*The total processing time for both the walk-in and online are the same.

2. PROVISION OF LAY-OUT DESIGN (WALK-IN AND ONLINE)

Upon request by departments / offices, department heads / program heads / officers-in- charge, or their authorized representatives, the Public Information Office (PIO) - Graphic Artists' Section facilitates the creation of layout and design requests for various visual materials, including tarpaulins, certificates, art cards, and other printed or digital graphics.

The PIO ensures that all designs align with branding guidelines, readability standards, and the intended message to effectively communicate information. Through creative and visually engaging layouts, the office supports events, programs, and announcements, enhancing their overall impact and visibility.

4. REQUEST FOR EVENT COVERAGE

The Public Information Office (PIO) - Photography and Videography Section provides photo and video documentation upon request from private groups, organizations, entities, departments, and offices. This includes full event coverage, from pre-event preparations to post-event highlights, ensuring that key moments are captured professionally.

Through its event coverage services, the PIO helps amplify the reach and impact of events by providing high-quality multimedia outputs for various platforms, including social media, websites, and official reports.

8. HANDLING OF INQUIRIES (WALK-IN, ONLINE AND PHONE)

The Public Information Office (PIO) accommodates inquiries from the public through various channels, including walk-in visits, online platforms (email and social media), and phone calls. It provides accurate and timely responses to questions regarding government programs, services, events, and other relevant matters. The PIO ensures that all inquiries are addressed professionally and efficiently, promoting transparency and effective communication with the public.

9. RESPONSE TO REQUEST FOR ONLINE PUBLIC SERVICE ANNOUNCEMENT (ONLINE)

The Public Information Office (PIO) carefully reviews and processes requests for online public service announcements (PSAs) to ensure they align with public interest and community guidelines. Approved announcements will be shared through the PIO’s official social media platforms, reaching a wider audience and promoting awareness on important matters.

Requests must include essential details such as the purpose of the announcement, target audience, relevant dates, and supporting materials (e.g., images, videos, or documents). The PIO prioritizes PSAs related to public safety, government initiatives, community programs, and other topics beneficial to the general public.

While the PIO strives to accommodate all requests, approval and scheduling will depend on content relevance, urgency, and platform availability. Requesting parties will be notified of the status of their submission and any necessary revisions to ensure compliance with posting standards.

10. PROOFREADING SERVICE (WALK-IN AND ONLINE)

The Public Information Office (PIO) offers proofreading services to ensure clarity, accuracy, and professionalism in official documents, announcements, and other written materials. This service helps maintain high standards of communication by identifying and correcting grammatical errors, typographical mistakes, and inconsistencies in formatting.

Requests for proofreading must include the complete document and any specific guidelines or preferences. The PIO will review the content, provide necessary corrections, and offer suggestions for improvement while preserving the intended message.

11. CONTENT CREATION (WALK-IN AND ONLINE)

The Public Information Office (PIO) provides content creation services to support effective communication and public engagement. This includes drafting, editing, and designing various materials such as announcements, social media posts, press releases, audio-visual presentation (AVP), and informational content tailored to the target audience.

Requests for content creation must include key details such as the purpose, target audience, preferred format, and any relevant information or media assets. The PIO ensures that all content aligns with communication standards, maintains clarity, and enhances audience engagement.

#### 4. USE OF THE ANTIPOLLO EDUCATIONAL SPORTS HUB

The Youth and Sports Coordinating and Development Office (YSCDO) is responsible for overseeing and scheduling activities at the Antipollo Sports Educational Hub. Furthermore, the YSCDO assesses whether the requesting party is required to pay the corresponding fee for their usage of the facilities. The YSCDO allows both the public sector (local and national government) and the private sector (non-governmental organizations, associations, federations, religious groups, etc.) to utilize the Antipollo Educational Sports Hub for various purposes, including:

- A. Sporting Events
- B. Religious Activities
- C. Weddings
- D. Birthdays
- E. Commencements
- F. Other related activities

## 1. ISSUANCE OF CERTIFICATION FOR MERALCO PURPOSES

Members of duly organized homeowners / neighborhood associations may request for certification from the Urban Settlement and Development Office (USDO) in support of their application for electrical connection with MERALCO respectively. Prior to request, the applicant may inquire with USDO if their HOA has an updated record with the City Government to determine what requirements to be submitted upon application for the issuance of certification.

### 3. BORROWING AND RETURNING BOOKS

Our agency supports the personnel development thrust of the city government by allowing the general public to borrow books and other reading materials for their studies, research, special assignments, etc. for a specific period of time. After use, the borrowed books/reading materials shall be returned to our agency no later than the date stated in the Borrower's logbook.

*Note: Books with only one copy, such as the History of Antipolo or other similar titles, are not to be borrowed or taken out of the office.*

#### 4. COMPUTER AND INTERNET ACCESS

Inside the library, we continue to remind and monitor computer and internet access users to be responsible in their use. We do not allow them to visit or download websites that are inappropriate or helpful in their research for their assignments and others. We do not limit their time when using it unless there are many users. Protect your privacy and do not share personal information such as passwords, addresses or phone numbers. Always log out of your accounts after using the computer. When using the printer, you must ask the library personnel so that they can assist you in using it free of charge.

## 5. PROGRAMS AND ACTIVITIES (Onsite Access and Off Site)

### ONSITE ACCESS

The library allows clients to use it for their programs and activities held here because one of its goals is to encourage children, youth and adults to love reading, value the future of every child and stimulate Filipino creativity.

## 6. OFF SITE ACCESS

Off-site programs of the public library are important because they bring knowledge, strengthen the community, increase literacy, provide equal opportunity, promote culture, and serve those in need.

## 7. ONLINE SERVICES

### 7.1. eResources/ eBooks

The library is not just about physical books but also vast collection of electronic books (eBooks) or electronic Resources (eResources) that are available through the TECHNO-AKLATAN (by National Library of the Philippines), STARBOOKS (by Department of Science and Technology-DOST) AND BOOKSHARE (by Benetech Initiative) platforms. The use of eBooks or eResources helps reduce the use of paper which contributes to environmental protection. Thousands of books can be searched on one device. These are frequently updated so the information is more up-to-date compared to printed books

## 1. APPLICATION FOR STUDENT ADMISSION

Admission to the City of Antipolo Institute of Technology (AiTECH) shall be managed by the AiTECH Admissions Committee with guidance from the Antipolo City Scholarship Office's search, selection, and nomination processes. The AiTECH Admissions Committee deliberates the applications based on the applicants' scholastic record, scholarship examination and personal interview. Applicants need to submit their requirements to the Registrar's Office.

Further tests and assessment of applicant's interest and aptitude for the College / Degree Program may be determined by the results of a National Career Assessment Evaluation (NCAE) and the National Achievement Test (NAT) conducted by the Department of Education (DepEd) and/or other similar substantiation may be required by AiTECH.

### 3. ENROLLMENT OF CONTINUING (OLD) STUDENTS

Enrolment of continuing students may be done as early as the end of the school semester to obtain clearance from their instructors. The duration of this process will entirely depend on the student's compliance with academic and non-academic requirements.

Students may hold on to their clearance and enroll when the enrollment period has been opened for them.

## 8. TECHNICAL DRAFTING NC II COMPETENCY ASSESSMENT

The Technical Drafting NC II Assessment Center operates under the Skills Upgrading and Institutional Linkages (SKILLS) unit, with oversight and strategic guidance from the SKILLS Director to ensure compliance with its mandate.

This charter applies to both AITECH students and external clients seeking Competency Assessment for the attainment of a National Certificate (NC II). It outlines the processes, protocols, and requirements involved in the application, scheduling, and completion of the assessment, ensuring transparency and efficiency in service delivery.

## 1. CONSULTATION: FREE MEDICAL CONSULTATION

The City Health Office (CHO) provides free medical assistance to Antipolo residents for the diagnosis and treatment of common illnesses. The office is also an accredited Philhealth YAKAP provider, providing the outpatient coverage of Philhealth. As part of its extended services, CHO has assigned Medical Officers in the sixteen (16) barangays for the provision of free medical consultation services to their constituents.

### 3. FREE MATERNAL CARE SERVICES

To achieve a significant reduction, if not complete elimination, of maternal mortality and morbidity rates, it is advised that pregnant women undergo monthly pre-natal check-ups and receive anti-tetanus vaccines.

Maternal care services are available at the CHO - Rural Health Unit (RHU), every Thursday. Additionally, RHU offers family planning (FP) services to promote proper birth spacing, effective birth control measures, and the natural family planning method.

## 4. FREE MEDICAL CONSULTATION SERVICES

The Rural Health Unit (RHU) offers free medical consultation services to residents of nearby barangays every Monday, Thursday, and Friday from 9:00 AM to 2:00 PM. The designated Medical Officer provides diagnosis and treatment of illnesses, prescribes medication, and administers appropriate medical services to out-patients, particularly those unable to access services from private medical clinics.

### 3. DIAGNOSTIC SERVICES

The Rizal Provincial Hospital System- Antipolo Annex II (RPHS- Annex II) provides Radiology, Laboratory and Pharmacy Services for OPD and Admitted patients. Radiology is the medical specialty that uses medical imaging to diagnose and treat diseases which includes X- ray imaging, Electrocardiogram and Ultrasound. The Laboratory and Pathology Department provides clinical and pathologic services where clinical pathology tests are carried out on clinical specimens to obtain information about the health of a patient to aid in diagnosis, treatment and prevention of disease.

#### 4. PREPARATION OF BIRTH CERTIFICATE

The birth of a child being a vital event should be registered at the office of the civil registrar within a 30-day reglementary period from the time of birth. Other than serving identification purposes, a birth certificate is also required by various agencies and instrumentalities in availing of their services.

## 6. CLASSIFICATION OF PATIENTS FOR FINANCIAL ASSISTANCE BY VARIOUS FUNDING ORGANIZATIONS

In the pursuit of achieving “All for health towards health for all”, the Philippine health agenda defines the blueprint of the government strategies to have inclusive and responsive healthcare for all Filipinos. It aims to provide implementation of discounts for health-related services for indigent patients.

## 2. PERITONEAL DIALYSIS

Peritoneal dialysis (PD) is available at ACHS Cabading. It is one of the forms of dialysis where the patient's own peritoneal membrane (or lining of the abdominal organs and body surfaces within the abdominal cavity) acts as the artificial kidney. There is no blood removed and returned to the patient. Dialysis using the peritoneal membrane is also a means to remove toxins, poisons and excess fluid that accumulates in the body when patients' kidneys are no longer able to function adequately.

### 3. ULTRASONOGRAPHY SERVICE

Diagnostic ultrasound uses sound waves to capture images of soft tissues. Ultrasonography is a painless procedure to help diagnose causes of pain, swelling or infections, and a useful way of examining various body organs without the ionizing radiation used in conventional x-ray procedures. The image captured through ultrasound can provide valuable information for diagnosing and treating variety of diseases and conditions.

# **Antipolo City Hospital System – Cabading Medical Social Services External Services**

## 1. AVAILMENT OF MEDICAL ASSISTANCE FROM PCSO THROUGH ONLINE APPLICATION SYSTEM

The ACHS-Cabading assists admitted patients whose hospital bill is beyond the PhilHealth case rate on their requests for Medical assistance from the Philippine Charity Sweepstakes Office (PCSO). The agency issues Guarantee Letter for approved requests. The Guarantee Letter will be submitted to ACHS Cabading-Mayor's Help Desk Section for appropriate action on the patient's hospital bill.

## 5. ENROLLMENT TO PHILHEALTH POINT OF SERVICE

The Point of Service (POS) refers to the program of the government through which non-PhilHealth-member patients/inactive Philhealth members can be registered thereby providing them immediate entitlement to PhilHealth benefits. POS patients are not yet PhilHealth members and are classified as financially incapable; hence, they shall be registered into the National Health Insurance Program (NHIP).

### 3. PHILHEALTH SERVICES

The Department for processing of Philhealth claims of Antipolo City Hospital System (ACHS) - Cabading assist active PhilHealth members to access comprehensive Philhealth package of services including inpatient care, catastrophic coverage, ambulatory surgeries and deliveries.

After discharge, the Philhealth member will wait for 72 working days to receive a Notice of Payment (NOP) from Philhealth Office. Once received, they will then return to ACHS-Cabading to secure a Certification of PhilHealth Refund and Statement of Accumulated Charges / PhilHealth Reimbursement.

## 4. RESPONSE TO CITIZENS COMPLAINTS

Responding to citizens' complains is crucial since it resolves potential legal problems, improves patient satisfaction, builds trust and reputation, and enhances quality of healthcare that the hospital provides.

## 11. PHILHEALTH / POINT OF SERVICE

In-patients who have no PhilHealth membership or with inactive PhilHealth membership may be enrolled in the Point of Service to be a hospital-sponsored PhilHealth member through the City Government of Antipolo for one (1) year.

Hospital bills of readmitted patients with the same diagnosis under 3 months since last confinement shall, however, be paid on regular rates.

### 13.BILLING SECTION

Billing section of ACHS IV – Mambugan provides the Statement of Account of patients, mostly for admitted patients. The billing section promotes transparency with the patients' records and charges and swift processing of billing systems through digitalization efforts to ensure accuracy of patients' charges within the facility during their stay.
